

Hanford Education Foundation Bourbon Trail Bourbon Tasting and Dinner Sponsorship Opportunities

The Hanford Education Foundation is planning our Annual Bourbon Trail, Bourbon Tasting & Dinner Event for Saturday, October 7th, 2023 at the HJUHS Ag Farm. This has been an exciting event for us the past two years and we expect another sellout event this year. The event is comprised of craft bourbon tasting trails including a High-end Trail, a Top-rated Trail, and a Flavor Trail with each bourbon hosted by a local business or organization. In addition, there is live music, excellent opportunity raffle items, a silent auction, and a great dinner catered by Dowd's Catering. All

proceeds from the event go to support Foundation fundraising efforts for student awards and recognitions, scholarships, school improvement projects, and much more. The following are ways in which you, your business, or your organization can help support our efforts and our new event. Thank you for supporting the students of Hanford Joint Union High School District and please join us in making this a fun and memorable event! Your support directly affects students! **Please write your tax deductible sponsorship check to the Hanford Education Foundation, a 501(c)(3) organization.**
